Here's Help With Your Options

Choosing the Medicare plans that are right for you can seem difficult. There's no need to look further. An AARP Medicare Supplement Insurance Plan and an AARP MedicareRx Plan, insured through United HealthCare Insurance Company, together offer you the medical and prescription drug coverage you need and are competitively priced to help fit your budget.

Why isn't Medicare enough?

Medicare Part A covers hospitalization while Medicare Part B covers outpatient and doctor's visits. But Medicare isn't designed to pay for all of your medical expenses. Medicare only covers about 80 percent of Part B medical expenses. The remaining 20 percent could add up to nearly thousands of dollars¹.

Fortunately, there is a wide range of AARP Medicare Supplement Insurance Plans with a variety of benefits to help offset some of these costs.

A Medicare Supplement Insurance Plan will:

- Help cover some of the costs not covered by Medicare, such as coinsurance and deductibles.
- Provide guaranteed renewable coverage once you are enrolled. It is renewable as long as your premiums are paid on time and you have made no material misrepresentation on your application.
- Go with you anywhere you travel in the United States and U.S. territories.
- Allow you to see specialists without a referral from your doctor.
- Give you the flexibility to change plans when your needs change.

¹Juliet Cubanski, et al, Medicare Chart Book, Third Edition, Summer 2005, <http://www.kff.org/medicare/7284.cfm> (December 6, 2006) p. 32.

Medicare does not cover your prescription drug costs.

Protect yourself from unexpected costs by enrolling in a Medicare Part D plan. The AARP MedicareRx Plans offer you savings and stability. You have the power to make sure your prescription drug needs are being met now and in the future.

An AARP MedicareRx Plan offers:

- Simple and predictable copays.
- More than 60,000 convenient network retail locations to fill your prescriptions.
- Stable formulary.
- Coverage that goes where you go – available in all 50 states, the District of Columbia and the five U.S. territories.
- You do not need to be an AARP member to join.

The Convenience of Two Insurance Options From One Provider

For almost 50 years, AARP has been putting its members' interests first. An AARP Medicare Supplement Insurance Plan and an AARP MedicareRx Plan can provide the coverage you are missing. Whether you could benefit from just one of the plans or the more complete coverage of both, the choice is yours to make.

You can receive personalized assistance in enrolling by calling UnitedHealthcare at 1-800-545-1797, TTY users call 1-877-730-4192. For Medicare Supplement questions, call Monday through Friday, 7 a.m. to 11 p.m. ET, and Saturday, 9 a.m. to 5 p.m. ET. For prescription drug questions, call 24 hours a day, 7 days a week.
